MEMORANDUM FOR MEMBERS OF THE INTELLIGENCE ADVISORY COMMITTEE

SUBJECT : Revision of Paragraph E of Terms of Reference of Warning Systems Survey Committee (WSSC)

REFERENCE : IAC-M-289, 14 May 1957, Item 3

1. In accordance with several suggestions made by members of the WSSC in its first few meetings, the Criteria contained in Paragraph E. of the Terms of Reference have been revised and accepted by all members of the WSSC. There was no basic change in the substance of the Criteria; the revision more sharply differentiates between source capabilities and transmission capabilities.

2. The revised and now current Terms of Reference of the WSSC are attached.

Chairman
